MEASUREMENTS

30cm diameter / 5cm height

40cm diameter / 5cm height

50cm diameter / 5cm height

MATERIALS

Wrought iron , High light transmittance mask

POWER USAGE

220V

LED LIFESPAN

12,000 hours

DIMMABLE

Not dimmable

LIGHT SOURCE

Included LED

WEIGHT

750GR / 1.2KG / 1.8KG

LIGHT COLOR TEMPERATURE

3000K

IMPORTANT SAFETY INFORMATION:

1. Always switch off power at the circuit breaker or fuse box before starting installation.
2. For safety and compliance with local electrical codes, it is advised that a qualified electrician or experienced installer handle the installation.
3. Exercise caution when handling. The marble and hardware components are fragile and require delicate care during installation.

INSTALLATION

- Turn off power at the main circuit breaker.
- Secure the ceiling plate using the provided screws. Ensure it is level and securely attached to support the weight (750g, 1.2kg, or 1.8kg depending on size).
- Connect the fixture wires to the ceiling wires: black (live) to black, white (neutral) to white, and green/yellow (ground) to the ground wire. Use wire connectors to secure.
- Attach the wrought iron fixture and high-transmittance mask to the mounted ceiling plate.
- Install the included LED light source.
- Restore power and test the lighting.

ADDITIONAL TIPS

- Maintenance: Dust the lamp regularly with a soft, dry cloth. Avoid using abrasive cleaning agents to protect the marble and hardware.
- Light Temperature: The lamp provides a warm glow with a 3000K color temperature, perfect for creating a cozy and inviting atmosphere.
