IMPORTANT SAFETY INFORMATION:

1. Ensure power is turned off at the circuit breaker or fuse box before beginning installation.
2. For safety and to comply with local electrical codes, it is advisable to have installation performed by a qualified electrician or an experienced installer.
3. Handle with care, as the rattan and wood components are delicate and require attention during installation.

INSTALLATION

- Secure the ceiling plate using the provided screws, ensuring it is level and able to support the weight (5KG / 6KG).
- Connect the fixture wires to the ceiling wires: black (live) to black, white (neutral) to white, and green/yellow (ground) to the ground wire. Use wire connectors to secure.
- Attach La Suspension de Rêverie rattan and wood fixture to the mounted ceiling plate.
- Adjust the cord to your desired length (up to 150 cm) before securing it tightly.
- Install the included E27 LED light source (replaceable).
- Restore power and test the lighting.

ADDITIONAL TIPS

- Maintenance: Regularly clean the lamp with a soft, dry cloth to remove dust. Avoid harsh cleaning agents to protect the rattan and wood materials.
- Light Temperature: The lamp features stepless dimming with three color temperatures (3000K, 4000K, and 6000K), creating a warm, inviting atmosphere perfect for any space.
