EXTRA INFORMATION

- Easy to install
- Not intended for outdoor use. Keep out of the sun at all times.
- Please wipe the lamp with soft and dry cloth. Do not wipe with wet towel.
- Do not keep the product within reach of infants and young children.
- Do not expose the product to high temperatures or direct sunlight for a long time.
- Do not look directly in the light source when lighting
- Never open, disassemble or modify the product.
- Please disconnect the product immediately if you feel smoke or something burning.
- Do not place the product on unstable or inclined surfaces.
- Use and store products between 0°C and 40°C.
- Please use the lamp strictly according to the above requirements.

HOW TO USE

- Charge the Lamp: Connect the charging cable to the lamp and a power source. Let it fully charge before using. An indicator light will signal when it's ready.
- Turn On the Lamp: Press the power button on the base or side to turn it on. Hold the button for 2-3 seconds if necessary.
- Adjust & Enjoy: Use the button to change brightness levels or modes. Once charged, place the lamp anywhere and enjoy wireless lighting!
